Subject: Week #2 - Summary of Locations Exceeding Trigger Levels

Dennis -

Sounds like we still have some issues to work out. I'm at the site and will be on the 1 pm call (I am assuming its the - 5996 #).

In the meantime.... here's a summary of the locations exceeding triggers for week sampling. Please note that where possible - I tried to include additional information regarding water provision (EPA or Cabot), any treatment and/or methane venting.

Talk to you later - Kelley
